## DMCC Free Zone Companies

Free Zones in the UAE are specific areas where companies may be set up with designated licenses and 100% foreign ownership. The Dubai Multi Commodities Centre (DMCC) is one of the fastest growing UAE Free Zones. It was established in 2002 and is located in a lake-front development called Jumeirah Lakes Towers, opposite Dubai Marina and ten minutes from Jebel Ali Sea and Air Ports and the Logistic Corridor.

DMCC registers and licenses companies with various activities as set out in the DMCC activity list. Each company is issued a license depending on its business activity. DMCC offers three categories of company licenses: Trading, Service and Industrial.

Trident Trust is able to provide services to assist with the incorporation of a DMCC company and obtaining residency visas for its shareholders and employees.
