KEY FACTS CYPRUS PERMANENT RESIDENT PERMIT

CYPRUS OFFERS SIMPLIFIED PROCEDURES FOR GRANTING IMMIGRATION PERMITS, KNOWN AS PERMANENT RESIDENT PERMITS (PRP), TO NON-EU APPLICANTS. THE PRP MAKE IT EASIER TO TRAVEL IN AND OUT OF CYPRUS AND ALSO ALLOW INTERNATIONAL INVESTORS ACCESS TO CYPRUS' CORPORATE AND TAX REGIMES.

Applicants must:

Applicants must also show an additional minimum annual income of €5,000 for every dependent person of his/her family (spouse and children) and €8,000 for each parent and/or parent-in-law.
- > Submit a title of ownership or contract of sale for one or two new Cyprus properties¹ (a "first time" purchase of two independent housing units or one housing unit and a shop or one housing unit and an office) with a total minimum market value of €300,000 (excluding VAT²), and official payment receipts of at least €200,000 (excluding VAT) with proof of payment of funds coming from outside Cyprus. The contract of sale must have already been submitted to the Cyprus Department of Lands and Surveys.
- > Transfer from outside Cyprus a minimum of €30,000 into a Cypriot bank, which will be pledged for at least a three-year period. A confirmation letter from the bank must be submitted along with the application.

ELIGIBILITY OF DEPENDENTS

The PRP covers:

- > Unmarried financially dependent children of the applicant aged between 18 and 25, subject to certain conditions; the PRP remains valid even if they exceed the age of 25
- > The parents and parents-in-law of the applicant

The Cyprus Ministry of Interior aims to process applications within two months of receipt.

ADVANTAGES OF THE SCHEME

> Processing within two (2) months

- > The PRP is granted for lifetime validity (unless the holder sells the purchased property without replacing it)
- > Under certain conditions, the whole family may be eligible

¹ They must be purchased by the same developer unless they are connected either vertically or horizontally.

² A reduced VAT rate of 5% is applied for first residences provided that certain conditions are met. The reduced rate of 5% VAT applies to the first 200 square meters of the residence's buildable area as determined by the building coefficient of the property, and anything above 200 square meters of the residence's buildable area as determined by the building coefficient of the property is subject to the standard rate of VAT, currently 19%.
