## Maritime Services

The Cayman Islands Shipping Registry is a Category One British Registry which qualifies it to register vessels of any size, age, type and class.

### Ship Registration

A Cayman registered vessel owned by a Cayman, or other qualifying, company, enjoys full international recognition and all the privileges afforded to British Flag vessels while benefiting from the tax free status and shipping laws of the Cayman Islands.

The benefits of registering a vessel in the Cayman Islands are as follows:

- Competitive registration, survey and tonnage fees
- Professional marine survey capability
- Less onerous manning restrictions than in other British dependencies
- Modern comprehensive maritime law which allows flexibility for owners
- Wide range of ownership structures
- Various vessel registration options from full to interim registrations
- Professional surveyors globally

Our shipping registration services include full yacht registration, registration under construction, recording of mortgages, transfer of port and deletion from register.
