

Key Facts

Migration to RAKICC

RAKICC offers professional planners worldwide a corporate domicile based on many of the features found in the corporate laws of other successful corporate domiciles, such as the BVI, Panama and Delaware. Companies from other corporate domiciles are able to easily migrate to RAKICC.

RAK International Corporate Centre (RAKICC) is the sole entity in Ras Al Khaimah for the incorporation and formation of International Business Companies (offshore companies). RAKICC was formed from the consolidation of the registries of RAK International Companies (formerly a part of the RAK Free Trade Zone) and RAK Offshore (formerly a part of the RAK Investment Authority). During this process, Ras Al Khaimah's existing company law was updated to keep pace with developing international standards and the new Ras Al Khaimah International Corporate Centre Business Companies Regulations 2016 were enacted on the 20th of January 2016.

Trident Trust offers professional advisors a prompt and effective migration service for companies which seek to change their corporate domicile to RAKICC.
