

## KEY FACTS

### HISTORY

- Nevis was discovered by Christopher Columbus on his second voyage in 1493. Rich in both scenic beauty and history, it is one of the Lesser Antilles and was claimed by Spain but was not settled by Europeans until the English arrived in 1628. Nevis remained a British colony from 1628 until 1983, when it became independent and joined the Federation of St Kitts and Nevis.
- Nevis is situated near the top of Lesser Antilles Archipelago, about 200 miles South of Puerto Rico and west of Antigua.
- The population of Nevis is approximately 11,000 mostly of African origin.
- English is the official language and the literacy rate is 96%, one of the highest in the Western Hemisphere.

### INTERNATIONAL BUSINESS ENVIRONMENT

- Financial returns need not be prepared or filed in Nevis.
- Shareholders, directors, officers, managers and members can be of any nationality and reside anywhere.
- No annual or other reports are required to be filed in the public records of Nevis.
- Beneficial ownership information is confidential.
- A company's records and its principal office may be located anywhere.
- A corporation formed in another jurisdiction may redomicile to Nevis.

### GOVERNMENT & LEGAL SYSTEM

- The Federation of St Kitts and Nevis is an active member of the British Commonwealth and the United Nations. Nevis is a vigorous democracy based upon the British Parliamentary system with an elected local assembly. The largest expenditure by Government is for education. St. Kitts and Nevis is politically stable, is the site of the Eastern Caribbean Central bank, Eastern Caribbean Securities Exchange and other regional organisations, and enjoys close to full employment. The political parties reflect this stability in that they are both centrist and do not have substantial ideological differences.

KEY FACTS

THE ECONOMY

- The telecommunications system operated by Cable and Wireless of England is a state-of-the-art fibre-optic digital system. Any part of the world may be direct dialed from Nevis without difficulty.
- St. Kitts and Nevis has direct daily flights to Miami, and regular services to other cities in the United States, United Kingdom and Canada. Daily services to regional destinations allow for efficient connections to many of the world’s major cities. There are daily ferry and car ferry services from Nevis to St. Kitts, with a journey time of less than an hour.
- The local currency in Nevis is the Eastern Caribbean dollar, which is pegged to the US dollar and has a set rate of exchange of US\$1.00 equaling EC\$2.70.
